

St Charles Catholic School Board Request for Letters of Interest Parent Board Member Position

The St Charles Catholic School (SCCS) Board of Directors along with the SCCS Corporate Board of Directors is calling for letters of interest for two (2) Parent Board member positions to be filled for a two (2) year term to begin July 1st, 2018.

After a review of the by-laws and business processes of the school, it was decided at a recent planning meeting of the SCCS Management Board of Directors, the start date of the Parent Board Representative be moved from the fall to July 1st of the year of appointment. This decision was made in order to allow for a smoother transition of Board members and to bring the term in line with the school year and business cycle. To this end, the Board is currently requesting that parents who are interested in holding a position on the SCCS Management Board of Directors for the upcoming school year to please submit an application package by 4:00 pm June 8th, 2018.

Interested parties should download and review the Parent Member Information Package and submit a letter of interest along with resume and the SCCS Parent Information Form by the designated time and date. Please submit the package by email to the SCCS Board Chairperson at boardchair@stccs.ca.

All submissions will be reviewed by the SCCS - Governance Committee. Selection of candidates will be made based on qualifications and current needs of the school. The suggested candidates will be presented to the Corporate Board for review and approval for appointment. Candidates will be notified by email or phone prior to the end of June.

For those who choose to step forward, we thank you for your commitment to St. Charles Catholic School. We are confident that you will find working to enhance our students' experience through a Catholic education both fulfilling and rewarding.
