

Dear SCCS Parents,

I hope that this email finds you doing well and enjoying your summer.

As many of you probably have already heard this afternoon at a press conference, our Minister of Education and Dr. Roussin announced that all students will return to school in the fall on Sept. 8th, full time/5 days a week.

However, this September will not look like last September. There will be new steps taken for this September, and a further email will be sent to all of you outlining these points in more detail closer to school starting. These steps will include: increased cleaning and sanitization of the school, handwashing/sanitizing, student cohort groups, greater space in classrooms between students where possible, staggered recess/lunch hours, and if students/staff are sick, they cannot be at school.

Please know, that I am looking forward to seeing you all back on Sept. 8th, and getting back into a more structured school routine. I will be back in the office on August 25th. I will respond to emails at that time.

Until then, enjoy your summer and soak up that sunshine!

Sincerely,
Tammy
