3.0 Open floor for questions -

Learn to Skate

What is the start date for Learn to Skate program?

Reply by Ms. Narynski: Iceplex has given the dates which are tentatively set for April 20-June 15 (8 weeks).

If dates fall through, would the grade 2s get to go in grade 3?

Reply by Ms. Narynski: Not likely.

Tuition Increases

Are tuition increases likely to happen as it may be a deciding factor for some registrations?

Reply by Ms. Narynski: Unable to answer as decisions for tuition increases are made at the Board level and are unknown at this time. For further information, please email Robyn Powell.

Christmas Market

Was well attended with a profit of almost \$4000. Vendors loved the venue and attendance was double last year. Father Eric was pleased and will have SCCS come back. Looking to have the event earlier in November to avoid conflict with other school activities and more families can participate. Committee will also look for food trucks, more parent volunteers to help with food prep in canteen, sponsorships and entertainment for next year. Suggestions on potential companies and entertainers who would be interested in getting involved welcome. Kris Kringle ornaments will have to be done in school only next year. Also need to re-evaluate bake sale as not many parents participated without getting volunteer hours for donating baking. 50/50 was a big success with double the profit of last year, likely due to higher attendance. Ideas can be emailed to Ms. Narynski or to stcharlesmarket@gmail.com.

No spring craft fair has been planned at this point.

4. Upcoming events and activities in the school: I Love to Read Month, Catholic Schools Week, Book Fair March 23-27, Shrove Tuesday, Spring Staff Appreciation Lunch March 26

4.0 New Business - Parent presentation on Safety with Social Media and Online Gaming Feb. 18 from 6:30-8:00. The presentation for parents will be more serious and for adults. This

presentation was already given to grade 4 and 5 students and will be presented to grade 6-8 students in March.

Reminder signs have been posted in the hallway to remain in the front foyer rather than outside classrooms to prevent distracting students.

Registrations are due back Feb. 21 and the KinderFair on Feb.4 had a great turnout. 85% of the visitors were there because of word of mouth from SCCS parents.

5.0 Schedule next meeting - April 29, 2020 at 7:00 pm in the cafeteria

6.0 Adjournment - 7:35 pm
