## ROBYN'S VIEW

Today my daughter in kindergarten brought home her kindergarten graduation pictures, complete with cap and gown. While it brings out a bit of a chuckle as you first look at a five year old in such grown up attire, it also made me pause for a moment and thought about all of the preparation in the school right now for the end of the school year.

The Kindergarten teachers are busy putting a little something together to celebrate the small children's accomplishments of their big first academic year. The Middle Years teachers are busy preparing a much more elaborate celebration for our students who are finishing their time at St. Charles and moving on to St. Mary's, St. Paul's and other high schools in the area and begin a very different stage in their lives.

I started to think back to what we called our Farewell Celebration that had

a theme of 'Friends Forever'. It was a scary time for me as I was going to be heading not just to high school but to a completely different environment. I had been at St. Charles since kindergarten with a core group of seven or eight of us from the first day of school. All the teachers and families knew one another, and a shy child like myself did very well in the tight knit community that was, and still is today, St. Charles.

While I'm sure our Grade eight students who are preparing to say good bye to St. Charles are having some of the same fears of the unknown as I had in 1991, I do hope they are able to say 19 years later as I can, from '91, I still have contact with nine of my classmates. Friends Forever.

This poem was on display at the Farewell Celebration of 1991.

These Are My Wishes  
For You.....

May you find serenity and tranquility in a world you may not always understand.

May a kind word, a reassuring touch, and a warm smile be yours every day of your life, and may you give these gifts as well as receive them.

May you find time in each day to see beauty and love in the world around you.

May you find enough inner strength to determine your own worth by yourself and not be dependent on another's judgment of your accomplishments.

May you always feel loved.

# Principal's Update

***"Faith based  
education is  
an inviting,  
welcoming  
atmosphere"  
- Family  
Graduation  
Survey 2009***

Through sharing personal experiences, the Alumni newsletter has become an important part of who we are as a community – the young, the old, coming together to share our dreams, visions and experiences. Our St. Charles community will be forever linked by these memories and our prayers for one another. This edition provides an unusually whimsical look at the community of St. Charles, past and present, and is brimming with stories about current students and teachers juxtaposed with memories from the past. We thank those who make this newsletter possible, especially Robyn Powell, chair of the Alumni Committee and Pam Depres, newsletter co-editor. We also thank the people who submitted articles or sent us a quick note about "what's new" in their lives.

It probably seems like only yesterday that you were anticipating the traditional year-end activities at St. Charles, namely the Awards Ceremony, final exams, the Grade 8 Farewell, and Kinder Grad. Since 2007, we have added one more special day to look forward to: Founders Day. This is a day set aside every June to reflect on our founders

and their hopes and dreams for the Alumni of St. Charles. In her column, Sr. Emma describes the events planned for that day in more detail.

Throughout the newsletter are articles about the accomplishments of the students this year, be it in sports, science, reading or the arts. For example, with the advent of the Middle Years electives and the further development of arts enrichment opportunities, the school is going to end the year with a theatrical flourish. Our year-end productions include two full-length plays: Peter Pan and The Beggar and the Wolf (the story of St. Francis). The productions will be held at the Gas Station Theatre in the Osborne Village.

If you have a moment, we encourage you to stop by the school. The front entrance has been spruced up and a new sidewalk has been poured making the entrance wheelchair accessible. Students and staff celebrated with a ribbon cutting ceremony on May 18th! The "old" building has had some work done on the main floor and basement. Over the summer, a new classroom

will be furnished as the school enrolment continues to grow. This "freshening up" of the building is possible through many, many hours of volunteer labour. Thank you to all the families who have given so much of their time to paint, clean, design and install items throughout the building.

Congratulations to Dorothy Gair and Kathy Booth who were "selected to receive Certificates of Merit awards for their wonderful work in literacy in our school and throughout the community" by the Reading Council of Greater Winnipeg. How wonderful that Dorothy and Kathy are being recognized for their contributions. If you would like to congratulate them, their email addresses may be found on the school website.

Congratulations to the school Patrols and Mrs. Laufer who were awarded "first place in the Private School Division" by the Winnipeg Police Service. The competition was stiff this year, but Mrs. Laufer's training and the students hard work paid off! The group was recognized for its service to keeping the children safe in all kinds of weather and

# Principal's Update

scenarios. The trophy they were given is displayed in the front entrance along with the other plaques and trophies awarded, in memory of accomplished alumni, to students for their great accomplishments.

If at all possible, please join us at some of the upcoming events. These are great opportunities to reconnect with old friends and to make a few new ones. Please call the front office or check the school website for more information about the Founders Day activities, Golf Tournament, Kinder Grad, Grade 8 Farewell, musical/ drama productions, year-end Mass or the Awards Ceremonies. We would love to see you!

May you have a restful and peaceful summer.

In Christ,

Dr. A. P. Penny  
Principal

## Thank you to the following families who have contributed to our Student Achievement Awards in honour of their loved ones!

Louis Caron Award  
Music Student of the Year  
(New award for 2010)

Robert Morrison Leadership Award  
Gr. 8—Exceptional Leadership  
(Elsa Kaka—'09 Recipient)

Jordan Paige Citizenship Award  
Gr. 8—Exceptional Citizenship  
(Kayla Krause—'09 Recipient)

Diane Giguere O'Rourke Award  
Gr. 1 Citizenship  
(Lily Freitas/Lindsay Turner  
'09 Recipients)

Damian Mills Award  
Strong Athletics and Academics  
(Dylan Thiessen—'09 Recipient)

Gladys Belhumeur Volunteer Award  
Exceptional Volunteerism  
(Patti Chipman—'09 Recipient)

George Jones Memorial Award  
Strong Athletics and Academics  
(Kyra Thiessen—'09 Recipient)

**Please contact Dr. A. P. Penny, Principal at 837-1520 or [dr\\_penny@stccs.ca](mailto:dr_penny@stccs.ca) if you are interested in sponsoring a St. Charles Catholic School student award in honour of a loved one.**

# Memories of St. Charles

—by Kathy Booth-Smith ('71-'75)

My earliest memories of this great school go way back to my first day as a newcomer. We had just moved to Winnipeg from Montreal a few months earlier, and things just weren't going well in the public school up the street. I was eleven years old and in grade 5. I distinctly remember entering the schoolyard on a very cold November morning, as a shy and tentative girl. I think I made it to the recess door, but was immediately surrounded by other students, who asked if I was the new girl named Kathy. I nodded, and that's all it took to be immediately welcomed and accepted by my new classmates. They smiled and laughed and asked me a million questions, as they led me into the playroom. It was like floating on a magical cloud! All of my apprehensions left me in an instant, and it felt like home.

My husband's memories are similar. He had been attending public school, after a short stint at St. John's Ravenscourt, and things just weren't going well. He entered St. Charles in grade 7, with a few friends, and a lot of difficulties. He had tried his best at every school, but couldn't seem to get the hang of academic expectations. It was just too hard to sit and listen, let alone do all that work!

Doug and I had very different issues coming to our new school, but our experiences there shaped our lives in infinitely positive ways. We believe it was the overwhelming warmth and acceptance that had the greatest impact. I know we were both encouraged and directed to face and conquer our challenges, with the strong knowledge that the adults in our school life cared as much as our own parents. We were able to be ourselves, but better, as time went on. There was a sense of endless nurturing that went far above curricular outcomes, with more than enough fun and laughter, too! Ultimately, it was as if we had a whole other family to depend on.

So, even though we attended St. Charles for only a few short years, Doug and I went on with our lives with a greater understanding of ourselves and others. We met again many years later, and decided to build a future together. We planned every aspect of our life, but NEVER had to discuss where we would send our children to school—that was a given—in so many ways.

As it turned out, I began a teaching position at the school, which confirmed our prior beliefs about this amazing place. Since then, we have had the absolute pleasure of watching our two daughters grow first in Academy Kids Daycare, also run by alumnae, and then the school for many years. We were able to observe and be a part of the magic touch on our own children, and continue to this day, to reap the benefits of our choice of school for them.

And so the magic goes on, as I see every single day at work, and I feel the impact on other families. BRAVO, St. Charles School! We owe you BIG TIME!

P.S. Doug went on to conquer his serious school challenges later in life, and with the confidence given to him in junior high, became a teacher himself. Now, he does the mentoring, as well as "directing" to get those assignments in! How ironic....

***Kathy has been teaching at St. Charles Catholic School since 1986 and continues to teach in Grade 3 today.***

**SEND US A MEMORY OF YOURS.....**

# Alumni News

## Keeping In Touch— by Lorraine O'Neil (nee Fifi)

I just finished reading the Tribute to Sr. Regina Chicoine and am very impressed. I was a border at the same time as Jeannine LaFleche. She has now passed away. Gisele McKenzie passed away in the past couple of years. I believe Georges may still be living in Winnipeg and if so, he will be the only one left.

I used to read as much as I could lay my hands on any books available. I loved history and read history books on England, for some strange reason even though I was brought up in a French speaking family.

My sister Denise was a good writer (Denise Fifi). The nuns saved one of her stories that she wrote on the adventures of a ten cent piece. What I wouldn't give to get my hands on that. Of course, I know that would not be possible. She also wrote a book which I had given to her boy friend when she passed away ten years ago. Now John passed away last year and we cannot locate her book. I do now recognize how good the nuns were at teaching. I appreciate the education I received at St. Charles as well

as Ecole du Sacre Coeur in Winnipeg. I completed my education here in Montreal at Concordia University with a B.A. degree.

My eldest son is married to an East Indian girl and she has chosen to send her daughter to a Catholic school because of the quality of education.

My other school mates who were very important to me were Florence and Simone Roy, June DeGagne and Irene Madler. Irene was very talented in both music and art. Simone and Irene have both passed away.

Keep up the good work St. Charles!

## Family Notice— Keough

It is with sadness we offer our condolences to the Keough family on the passing of John James Keough.

Mr. Keough attended St. Charles Convent for grades one, two and three (1917, 1918 and 1919) and was one of the longest living students of St. Charles. John travelled to school by streetcar, getting off at Portage Avenue and St. Charles Street, he would walk down to the convent.

He remembered the old part of the convent, and the school being in the basement with several grades in one classroom.

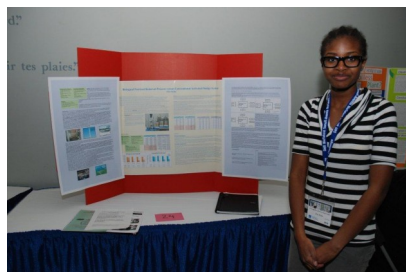

The desks were double-seated and if you misbehaved, you had to sit with a girl (not a choice thing to have to done in those days). He recalled one time when that occurred and how they both cried and cried (he conveniently can't remember who was the guilty one).

John married Helene Lamarre at St. Charles R.C. Church in 1938 and raised six children: Jim, Louise, Maureen, Kathleen, Dennis, Janine. They all attended St. Charles Convent. John went on to become a successful businessman in Headingley, Manitoba and the surrounding areas. He owned and operated a wood/coal delivery service and B.A. Oil distributorship for 35 years, culminating his career with the purchase of a local service station. He retired in the early 1970's. He was a long time member of St. Charles R.C. Church where he was baptized, received his First Communion, was confirmed and later married.

## Former Student—Elsa Kaka ('09) wins Award in Environmental Studies and Earth Science

Elsa Kaka ('09), did very well at the MSSS (Manitoba Schools Science Symposium) last month at the University of Winnipeg. Elsa's science fair project was completed with the help of a mentor (Dominika Celmer-Repin, Ph.D., E.I.T – City of Winnipeg).

Elsa's project was titled **"Biological nutrient Removal versus Conventional Activated Sludge System"** and she won the following awards:

*Silver medal*

*Save Our Lake (SOUL) Award and \$50 "*

*Best Environmental Studies and Earth Science – Intermediate level*

This is in combination with her Grade 9 Gold Medal (Mentored project) – (a new category at St. Boniface High School this year) and her

award for Best in Category for all the mentored projects at this year's 30<sup>th</sup> Annual St. Boniface High School Science Fair. St. Charles is very proud of Elsa's accomplishments and wish her all the best in the future!

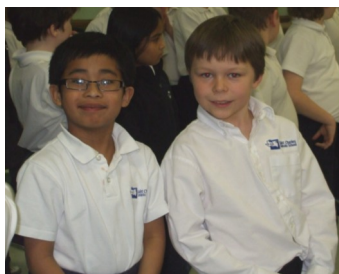

### Congratulations Ms. Kathy Booth and Mrs. Dorothy Gair!

Ms. Kathy Booth and Mrs. Dorothy Gair will be receiving an Outstanding Educator award from the Reading Council of Winnipeg!

They were nominated by the school (a special thank-you to Mrs. Terina Henry for gathering the information and writing up the application). We were told that the "decision by the committee was unanimous".

An awards banquet was held on Tuesday, May 18<sup>th</sup> at St. Boniface Country Club.

Congratulations!!

### The Next Generation of St Charles Students

Here are some Alumni names you might recognize who are current families in the school...

*Maureen Feldschmid (Booth) (71-76)*

*Sandro Foianesi (75-84)*

*Bill Hall (81-83)*

*Shelley Hall (Rhoades) (85-87)*

*Julien Kulbacki (82-89)*

*Ronald La Fleche (68-77)*

*Robyn Powell (deBeer) (82-90)*

*Lindsay Smith (Lavalee) (86-95)*

St. Charles over the last the number of years has boasted having a large number of staff bring their own children to St. Charles. One of the last remaining staff to have done so is also an Alumni member. Kathy Booth (Smith) (71-75) has been a teacher at St. Charles since 1986 where she started out teaching grade one. Kathy and her husband Doug Smith (73-77), also Alumni, decided to send their two daughters Gillian (99-08) and Glynnis (01-09) to St. Charles and are now attending St. Mary's Academy.

# Sr. Emma's Corner

## Founders' Day

Archbishop Langevin  
Photo Source:  
[www.missionaryoblatesisters.ca/missionary/](http://www.missionaryoblatesisters.ca/missionary/)

*"All four of our children have attended St. Charles Catholic School from Kindergarten onwards. Our family's faith community, religious education and experiences, and relationships with God have come through the community of St. Charles. We consider ourselves fortunate to have chosen this path through St. Charles for our family and I believe these experiences will have created a solid foundation for the children's faith development for year's to come.*

*St. Charles Parent—  
January, 2010*

In 2003 we felt it was important to establish a Founders' Day "to celebrate the Order of religious who founded our school in 1906 and to re-ignite our mission." This is in line with the idea of re-founding I wrote about in a previous article: "Re-founding is going back to our roots, to the charism, mission and spirit of our founders and looking at how we can live these in today's world." The feast of the Sacred Heart was chosen as the date on which we celebrate Founders' Day as it is a major feast for the Oblate Sisters whose full name is Missionary Oblates of the Sacred Heart and of Mary Immaculate.

How will we celebrate Founders' Day on June 11, 2010?

The day will begin with a prayer service in our school gym during which a statue of the Sacred Heart is carried in followed by the pictures of Archbishop Langevin, Mother St-Viateur and Mother Marie-

Joseph, our founders. A short reflection during the prayer service explains the reason for this celebration:

Because Archbishop Langevin, Mother St-Viateur and Mother Marie-Joseph lived in faithfulness and trust we are still able to receive a Catholic education at St. Charles 104 years after it first opened its doors. Through the good times and the hard times the founders believed that St. Charles was God's will and they never gave up. Today, we celebrate their faith, trust and courage and thank God who inspired them to answer His call to meet the needs of the people of St. Charles. We ask them to help us live the motto of our school, "Estote Fideles", "Be Faithful".

During the afternoon the teachers will take their classes on a walking tour of our school's history: down the street to the house which once belonged to the school – Nazareth – serving as a dormitory for the high school girls and for home economics classes by the river where the old rectory used to be in the church cemetery to remember and pray for the deceased members of our founding families – Lafleche, Caron, Keough, etc. Our Gr. 8 students will have the privilege of going up to the bell tower.

This walk down memory lane will hopefully help our students understand better where we come from and appreciate all the sacrifices and dedication that were needed to establish our school which is offering them a Catholic education.

## Year for Priests

On the same day we will be concluding the Year For Priests. We will again gather in the gym for an assembly giving thanks to God for the great gift of the priesthood.

Archbishop Weisgerber and our parish priests will be invited to attend. Our Gr. 6-8 students will then welcome a panel of priests – Archbishop Weisgerber and two other priests – who will tell their stories and answer any questions the students may have.

This year for priests has been a great opportunity for us to focus on the role of the priests in our life. It has been a call for us to pray for and support our priests whose ministry is essential for the Church. Let us pray that more young men will hear and answer the call to serve God's people.

## Experience the Benefits of Becoming A Homestay Family in 2010/2011!

St. Charles Catholic School has had the opportunity to host four Grade 8 students from Mexico this year! Staff and students have enjoyed getting to know Cesar, Sebastian, Jessica and Maria and wish them all the best when they return home in June. We will miss you!

If you are interested in accommodating a student from Mexico for the upcoming 2010/2011 school year, please contact Lorne or Adriana Zagrodnik at

889-7522. Families would be paid \$600.00/month for their support. Through your help, the school would have a more diversified student body at the Middle Years Level and a wonderful opportunity for our students to meet some new friends from Mexico, experience a different culture, practice another language and gain more global perspective.

### Student Reflection on Thinkfast Experience

"THINKfast was an excellent experience, an activity that shows students what it is like to go without food for 24 hours. The students at St. Charles experienced how the people in poverty feel everyday, a sensation that throbbed in your head and stomach. Also, it created an emotion that made students feel like just stopping and having a nap. It made us all feel really hungry.

However, it was not all just hard work though, and we also played many educational games. My two favourite games were the Corn Game and the Bead Game. During the Corn Game, we were split into the continents of Asia, North

Europe and Africa. We had to guess how many people lived in these places and how many bags of corn the people had to share. None of us got the right answers because the world's food distribution is so uneven over the groups. During the Bead Game, we got an amount of coloured beads and a list that told us what we have to get/trade. We also had to give one red and one yellow bead to the activity leader, who represented how people have to work hard to get their food and resources, but then have give to their governments some of what they had earned or grown.

When I signed up, I expected THINKfast was not going to be easy, but I thought I could do it. Thanks to many helpers, everything went smoothly. In addition to many activities, we had various speakers who told us about poverty and injustice all around the world. We certainly have a better understanding about the poverty of the world. We do not get the extent of poverty here in Canada. THINKfast was a hard thing to do, but a very educational because we learned about the poor.

Matt M. (Gr. 8)

# History Corner

## Instructions for the Reverend Sister Directress of St. Charles Convent

*If you have any news you would like included in the Alumni Newsletter, please contact us by writing or e-mailing [sec@stccs.ca](mailto:sec@stccs.ca)*

### **Memorandum written by Archbishop Langevin, November 21, 1906**

You must organize the class programs.

A) First of all, the students have to be graded according to their ability. See to it as soon as possible and consult the teachers.

B) You must be very careful in your choice of text books. You could check this out with the Holy Names Sisters in St. Boniface. You must find a good method for the teaching of spelling. I find the best one is the one put out by the Brothers of the Cross of Jesus from St. Jean-Baptiste and St. Pierre.

C) You must supervise the teaching of the Catechism so that it will be well taught. The children whom you are preparing to receive Holy Communion either for this year or next year should be in the same class, and separated only when the time comes for the immediate preparation. The Catechism should be divided into three or four parts and the children must learn it word for word.

D) You must have the children sing religious and national hymns: "The Maple Leaf", and "Nearer My God to Thee", "Vive le peuple Canadien", "God Save the King", "L'ombre s'étend sur la terre".

E) The children must say prayers at the beginning !

and at the end of the school day. A short silence should precede these times of prayer

F) You must teach the children how to stand, how to sit and how to kneel. They must also learn to take their ranks according to their grades, when the signal is given.

G) It would be good to set aside a time during the week when the boarders and if possible the externs, would be taught how to sew and how to keep house.

H) You must foster good manners, good posture, and good speech. The students should have time to learn how to speak in public and to recite.

## ST. CHARLES HELPING HAITI

In our efforts to assist with the devastation in Haiti, St. Charles held a colour day to raise money. Some grade six students made Red Cross pins, and the grade three class made and wore necklaces in support of Haiti. Thank you to all the students and families of St. Charles. In total we raised over \$1100!

Way to go St. Charles— we are all so proud of you.

# Hard Work Pays Off at Winnipeg Music Festival

During the month of March, our students worked hard to prepare for the Winnipeg Music Festival. It was the first time that our school competed at the festival. Once our nerves were settled, the students and I had a great time. The students gave it their all, and we were rewarded with three silver medals and one bronze. We celebrated with a cake and ice cream party afterwards. Way to go St. Charles!!!!

Mr. Kyle Katch, Music Educator

## HOW CAN I HELP?

St. Charles Catholic School believes that every child should have the option of benefiting from a Catholic education.

Thanks to our Student Bursary fund, we are able to welcome families from all circumstances. Last year, the school sponsored \$40,000 in bursaries to families in the school. A collection was also taken up at our Christmas Concerts this year with enough money donated to sponsor an entire tuition! Donations of all amounts are greatly

appreciated and will ensure the Bursary Fund's ability to assist.

Donations over \$20.00 will receive a tax receipt and can be forwarded to:

St. Charles Catholic School  
331 St. Charles Street  
Winnipeg, MB  
R3K 1T6

Thank you for your ongoing contributions towards this important fund.

*"The Bursary Program has been a real blessing to our family. I am filled with gratitude for the generosity that makes bursaries possible to families who otherwise could not afford a Catholic education for their children. Jesus said 'Let the children come to me', and I believe that enabling a child to have a Catholic education is another way of empowering those words. "*

*St. Charles Parent  
2009*

## St. Charles Student Going to Nationals!

At the recent Man/Sask Provincial Swim Meet, Michael (Gr. 7) medaled in all his swims, achieving 1 gold, 5 silver and 1 bronze medal. He had best times in each swim which helped earn our club, the St. James Seals, the highest points trophies for a small club in Manitoba and in central Canada!!! Michael is now ranked 4th in the 50M Butterfly in the Country, and 8th in the 50M backstroke. In all his other events he ranked in the top 15 in Canada. Michael has qualified to swim at the Canadian Age Group Nationals in July which will be held here in Winnipeg at the Pan Am Pool. Michael's performance won him a place on ...The Manitoba Provincial Team!!

Way to go Michael!

## Congratulations St. Charles Patrols 2009-2010!

The Grade 5 & 6 Student Patrols of St. Charles Catholic School were awarded **First Place in the Private School Division**. In recognition of their achievement, all of the patrollers, along with their supervisor, attended an awards ceremony at the Winnipeg Convention Centre hosted by the Winnipeg Police Service. They were joined by the first place patrols teams from 11 other School Divisions.

## St. Charles Loves to Read!

St. Charles Catholic School celebrated "I Love to Read Month" in February and prepared many education and fun activities to raise awareness for our students. Students were treated with many great guest readers including Ace Burpee, Sharon Blady, Glen January from the Winnipeg Blue Bombers, and Princess Belle from Beauty and the Beast! Thank you to all of our guest readers who took the time out of their busy schedules to help St. Charles celebrate the joy of reading.

**Right: Ace Burpee and the Grade 6 Class**

**Sharon Blady, MLA Kirkfield Park and the Grades 1 and 1-2 class.**

The kindergarten students enjoyed a visit from Belle (Beauty and the Beast). Here are some of the questions our kinders asked Belle: Are you friends with Cinderella? Why did you go to the West Wing? Did you like dancing with the Beast? Why did Gaston lock your dad in the cellar? Are you going to be at Disney on Ice at the MTS Centre? Did you know you are in my video game?

Belle had a great time too and hopes to be invited back next year!

## Robert Morrison 10th Annual Texas

### Scramble Golf Tournament

Tuesday, June 15<sup>th</sup>, 2010

Glendale Golf & Country Club

To register your team, please visit our office for a registration form or log onto our website at [www.stccs.ca](http://www.stccs.ca). The cost is \$600 per team or \$150 per player which includes lunch, dinner, a round of golf, and a prize for every player. Singles and incomplete teams are welcome.

To make this event a success we are looking for cash sponsors, team prizes of four, silent auction prizes and cash donations. Donations can be dropped off at the office.

Thank you for your generosity and tremendous ongoing support!

**Thank you to  
DYCOM Direct Mail  
for their generosity  
in printing this  
Newsletter**
