Current State

In its current state, our field is unuseable. The current issues include: poor draining, standing water, grass mould, and unevenness. We have tried to re-sod the field multiple times to no avail.

Starts Now

Kids need appropriate outdoor field space for physical activity, which promotes health and fitness, fosters social interaction, and supports emotional well-being. It also provides a safe environment for play, sports, and exploration, essential for holistic development.

The Future,

New field turf offers numerous benefits for students: enhanced safety with cushioned surfaces, reduced risk of injuries like ankle sprains, improved playability in various weather conditions, lower maintenance costs compared to natural grass, and prolonged usability for outdoor activities throughout the school year, ensuring a reliable recreational space for many years to come.

We Need Your Help

Join us in raising funds for a new school turf field! This much-needed upgrade will provide our students with a safe, durable space for sports and outdoor activities, enhancing their physical health and fostering a stronger school community.

Our Goal

Our goal is to fundraise \$250,000 for a new school turf field! Your donation will create a safe, high-quality space for students to engage in sports and outdoor activities, promoting health, teamwork, and school spirit. Every contribution brings us closer to transforming our students' experiences.

Thank You!

On behalf of St. Charles Catholic School, I wanted to extend our heartfelt thanks for considering a donation towards our new school turf project.

Our Board of Directors believes in the initiative of the new school ground field. That is why we are excited to announce our commitment to fund half the cost of installing the new school turf. This improvement will offer our students a superior and durable playing surface.

Your potential support is greatly appreciated and will make a significant impact on our school community. The new turf will provide our students with a safe and high-quality environment for physical education, sports, and other outdoor activities. It will enhance their overall experience and foster a sense of pride and school spirit.

We understand that deciding to donate is a generous commitment, and we are deeply grateful for your consideration. Should you choose to contribute, please know that your donation will be recognized and celebrated within our community. We are excited about the possibilities this project will bring and the opportunities it will create for our students. Any level of donation, can be spread out over a two year commitment. We will work with your organization to build a payment plan that best suits you.

If you have any questions or need further information about the project or how your donation will be utilized, please do not hesitate to reach out to us. We would be more than happy to provide additional details and discuss the positive impact of your support.

Thank you once again for considering a donation to our school turf project. We look forward to the possibility of partnering with you to make this vision a reality.

Warmest Regards,

St. Charles Catholic School
