

PRINCIPAL'S WEEKLY UPDATE AND IMPORTANT INFORMATION

Faith Development and Renewal

Last week, I had the opportunity to attend a three-day Principal's Retreat, led by Archbishop Murray. At the same time, our staff participated in a Faith Development Retreat here at St. Charles, led by our Corporate Board Chair, Fr. Eric. These experiences were intentional and deeply meaningful, and I believe it is important for our school community to understand why this work matters.

At St. Charles Catholic School, faith development is a required and valued part of our professional growth. Each year, staff participate in opportunities to reflect, pray, and deepen their understanding of what it means to work in a Catholic school. Teaching and supporting students in this setting is not only a job. It is a choice and, for many, a calling.

Choosing to work in a Catholic school means committing to more than curriculum and instruction. It means modelling faith through daily actions, fostering a culture of respect and compassion, creating spaces where students feel known and cared for, and helping young people grow not only academically, but spiritually and morally as well. It means approaching our work with intention, service, and care for the whole child.

Faith formation supports our staff in this important responsibility. Time set aside for reflection and renewal strengthens our ability to lead, teach, and serve with clarity and purpose. It reminds us why we do this work and re grounds us in our shared mission.

I am grateful for the leadership of Archbishop Murray and Fr. Eric Giddins, and for the commitment of our staff to ongoing faith development. This shared investment ensures that St. Charles remains a faith filled, student centred community where our values are lived each day.

"Let each of you lead the life that the Lord has assigned to which God called you."

LAPEL PIN – COMMUNITY BUILDER PROJECT

Our PAC, in collaboration with school administration, recently introduced a special community-spirit initiative to our Grade 8 students: the SCCS Lapel Pin Legacy Project. This project was presented as a meaningful opportunity for students to leave their mark on our school, and their input was incredibly important throughout the process. From the 15 designs submitted, a staff committee selected the top three finalists.

We proudly recognize the two finalists whose designs made it to the final round-your creativity, skill, and vision truly stood out.

Following a schoolwide vote, we are thrilled to announce that Emily in Grade 8 is the winner of the SCCS Lapel Pin Design Contest! Her design will become our official community lapel pin:

A huge congratulations to all students who participated-your creativity, enthusiasm, and pride in our school truly shone through. And a special congratulations to Emily in Grade 8, the winner of our Lapel Pin Design Contest! Her design will become our official SCCS community lapel pin.

Our school community will be able to order the lapel pin very soon. Families will have the option to purchase one pin or as many as they'd like-a meaningful keepsake of our shared school spirit.

REGISTRATION FOR 2026-2027

Registrations are due February 20th.

If your family is not returning next year, please indicate this on the form and return it to the office. Your prompt attention to this helps us plan effectively for the upcoming school year. Thank you!

SHROVE TUESDAY BREAKFAST - Save the date!

Join us on Tuesday, February 17th, from 7:00–9:00 a.m. in the SCCS Cafeteria for our annual Shrove Tuesday Pancake Breakfast! It's a perfect chance to gather as a school community, enjoy some tasty food, and start the day with great company. Students must be accompanied by an adult.

Everyone is welcome to join in the fun! While the event is free, we will be gratefully accepting donations for the Holy Child Association. Our KF, KL, and Grade 5M families are organizing this event and have received the volunteer link.

What is Shrove Tuesday?

Shrove Tuesday is a long-standing Christian tradition marking the day before Ash Wednesday. Traditionally, families would use up rich ingredients like eggs, butter, and sugar before beginning the Lenten season-hence the custom of enjoying pancakes. Today, it remains a joyful day of community, celebration, and preparation for Lent.

KF, KL, and Grade 5M families are organizing this event and were sent this link to volunteer: [VOLUNTEERS & ITEMS NEEDED for our SHROVE TUESDAY PANCAKE BREAKFAST Tuesday, February 17, 2026](#)

I LOVE to READ Month

Thank you to our Academic Committee for organizing all of the activities for I LOVE to READ Month! If you have any questions, please contact your child's homeroom teacher.

MUSICAL

Support our Musical program by purchasing tickets for musical baskets! Tickets are \$2 each and can be purchased through the school office or at WAG on May 4.

This year's baskets include:

- Kids' Basket – valued at \$150
- Couples' Basket – valued at \$300
- Family Basket – valued at \$375

Thank you for your continued support of our school Musical!

PARKING

St. Charles Street, the parking lot, and the bus loop are single-lane traffic areas. Passing another vehicle is not permitted at any time. This behaviour is dangerous and creates serious safety risks and confusion during drop-off and pick-up.

Drivers must remain in line and wait their turn while vehicles move through the loading zone. Failure to follow these procedures compromises the safety of students, staff, and families.

With the cold weather, there are no student patrols outside, so please be extra cautious and watch for students crossing. We do have a staff member outside to assist, but for everyone's safety, please follow all traffic expectations during drop-off and pick-up.

Thank you for your immediate cooperation in keeping our school grounds safe and accessible for all.

To help support this effort, we are looking for parent volunteers to assist with our parking lot and loading zone patrol. Please sign up using the link

BUILDING & GROUNDS

Over the Christmas holidays, we completed several important upgrades to our Building Management
System. Upgrades and new installation measures on the HRV unit on the third floor was completed,
improving ventilation and air circulation in the 1906 building. We also restarted an AHU unit in the new
building, which will help support more consistent airflow and temperature control. In addition, air vents
were installed above classroom doors to enhance air movement between spaces.

We also took this opportunity to complete some painting and a deep clean throughout the building.
All of these updates support more effective heating, cooling, and overall building comfort as we continue
to improve the school environment for students and staff.

Our BASC program now has its own Instagram account!
